Proverbs 6: 20 - 23

**Obey !**

"I'm going to swim in the lake", said Anurag. "But your Dad said it was dangerous to swim here!", said Anil. "That's just a lot of silly fuss! I'm going to, anyway", said Anurag.

(Cross out the wrong answer).

Anurag's father had said "No!" to spoil his son's fun time / because he loved his son.

Some people like Anurag, think obedience is fussy nonsense. But the Bible says that we should obey our parents. Verse 21 means that we are to do as we are told as if we had our instructions written all over us!

**Heavenly Father, help me obey my parents. Amen.**

Luke 17: 3 - 6

**Forgiving?**

Sunita and Freeda have been quarrelling while playing. "I'll never forgive you!", said Freeda. "I'm never going to talk to you again", said Sunita.

Before you get angry with people, THINK:

1. Do I ever do anything wrong?
2. Do I ever need to be forgiven?

What did Jesus say we MUST do if someone said "Sorry!"? (v. 4)

**Thank You God, for all those who forgive me. Please make me willing to forgive others. Amen.**
